Introduction to Year 11 Evening Thursday, 12th September 2024

Dear parents and carers,

On **Thursday, 12th September 2024**, the school will host an 'Introduction to Year 11' consultation evening for the parents and carers of year 11 students. This event will begin at **4.30pm** and finish at approximately **6.30pm**.

The purpose of the evening is to provide information about what this year will entail for your child and guidance on how you can continue to best support your child during this critical year, leading up to the GCSE exams in May and June. The evening will provide you with essential details, strategies and resources. Opportunities to speak with the head of year, the Pastoral Care Officer (PCO) for year 11, the Heads of English, Maths and Science, and senior staff will also be available.

The evening will cover key areas such as:

- Wellbeing and resilience information for students and parents
- Details on how we can work in partnership with parents/carers to ensure the best outcomes for your child
- Information regarding key events during this academic year
- Careers information from colleges and training providers

As a parent and carer, it can be difficult to know how to support your child through this challenging academic year. We have found that greater parental engagement and support with revision has a positive impact on student results overall, therefore your attendance at this event would be much appreciated.

If you have any queries regarding the information evening, please do not hesitate to contact us at school.

Please click on the link below to confirm your attendance at this event.
