

WELCOME

In the name of the Father, Son and Holy Spirit

If we say that we have fellowship with him while we are walking in darkness, we lie and do not do what is true; but if we walk in the light as he himself is in the light, we have fellowship with one another.

1 John 1:7

Our School Prayer

LORD, make me a better person, more considerate to others, more honest with myself, more faithful to you. Make me generous enough to want sincerely to do your will whatever it may be. Help me to find my true vocation in life, and grant that through it I may find happiness myself and bring happiness to others.

In the name of the Father, Son and Holy Spirit

Therefore, confess your sins to one another and pray for one another, that you may be healed. The prayer of a righteous person has great power as it is working
James 5:16

We can pray for others by following Pope Francis' 5 finger prayer.

So these Pharisees and scribes asked him, 'Why do your disciples not respect the tradition of the elders but eat their food with unclean hands?'

He answered, 'It was of you hypocrites that Isaiah so rightly prophesied in this passage of scripture:

This people honours me only with lip-service, while their hearts are far from me.

The worship they offer me is worthless, the doctrines they teach are only human regulations.

You put aside the commandment of God to cling to human traditions.' He called the people to him again and said, 'Listen to me, all of you, and understand. Nothing that goes into a man from outside can make him unclean; it is the things that come out of a man that make him unclean. For it is from within, from men's hearts, that evil intentions emerge

In the Bible we see people who are completely focused on trying to be better than others by following more rules than others.

At first this may seem to be OK, but, these people even though they followed some traditions, were treating others badly and disrespectfully

Jesus reminds us that it is what in our hearts that matters, how we treat and love others, not just following traditions.

Think of an act of kindness that you can do today.

Love is patient, love is kind. It does not envy, it does not boast, it is not proud.
