So God created man in his own image, in the image of God
created he him; male and female created he them.

Genesis 1:27

*Lord God, you are love,
and in love we reach out,
allowing ourselves to be touched
by the joys and griefs of all your people.*

*Light within us the fire of hope,
and a passion for change,
So that together,
we might all find the joy
of living alongside each other
as one human family
in our common home.*

How can we treat other this week showing that we are all made in the Image of God?

Until now you have asked nothing in my name. Ask, and you will receive, that your joy may be full. **John 16:24**

Often, we can treat others badly or not treat them with dignity, we pray for those around us remembering their value.

Continue to pray for others in our world

For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.

Ephesians 2:10

Our dignity comes from the fact that God loves us immeasurably. When we believe that we are worthy of being treated with respect, we are more able to treat others with dignity. Take time this morning to reflect on how special you are.

Use your imagination in prayer. Look at yourself through the eyes of God. Ask God, who gave sight to the blind, to help you to see clearly.

You may like to write in the glasses some of your qualities. We don't need to fit in with others to be someone of immense value.

What are the things that make you unique and special? Write down some of the positive things your family and friends have said about you. Fold the paper if you don't want others to see.

Bring all the glasses and place them, in the quiet, around the candle.

Can we keep seeing ourselves through God's eyes?
