'Eggs-am Ready' **Thursday, 3rd April 2025**

Dear parents and carers,

On **Thursday, 3rd April**, the school will host an 'Eggs-am Ready' consultation evening for the parents and carers of Year 11 students. This event will begin at **4.30pm** and finish at approximately **6.00pm**.

The purpose of the evening is to provide guidance on how you can continue to best support your child during this critical year in your child's education; providing you with essential details, strategies and resources. As the final GCSE and BTEC exams are only a few weeks after this evening, it is the perfect time to ensure they are ready for these. Opportunities to speak staff from all subject areas, including the heads of the English, maths and science departments, and senior staff will also be available. In addition, a selection of college representatives and Connexions will be accessible during the evening. Your child's February mock examination results and their most up to date expected grades will also be available for you during this event. Easter treats and refreshments will be served for your enjoyment!

The evening will cover key areas such as:

- Wellbeing and resilience information for students
- Revision strategies and support materials for all subjects
- Details on how we can work in partnership with parents/carers to ensure the best outcomes for your child
- Information regarding exam timetables and other key dates.
- Careers information from colleges and training providers

As a parent and carer, it can be difficult to know how to support your child in the final run-up to their exams, therefore your attendance at this event would be much appreciated. The final GCSE exam timetable has now been published and can be found on the school website at the following link: <https://www.msj.stoccat.org.uk/curriculum/examinations/year-11-gcse-exam-timetable/> Students will be issued with a personal exam timetable once all entries are finalised. The timetable above can be used to plan a revision timetable so students can effectively prepare for the final GCSE exams at home.

If you have any queries regarding the information evening, please do not hesitate to contact me at school.

Please click on the link below to attend this event.
