Dear Parents and Carers,

Re: Launch of the Arbor Student App

We are pleased to inform you that we are now launching the **Arbor Student App** for all students at Mount St Joseph. The app is a fantastic new way for students to take greater ownership of their learning and stay informed about their progress, attendance, homework and timetables.

Students have already received an **assembly** explaining how to download and use the app. In addition, an **email invitation** has been sent to each student's **school email address**, which includes a unique link to register and log in securely.

Once logged in, students will be able to:

- View their **timetable** and lesson details
- Check **attendance** and **behaviour information**
- Access **when their exams are**
- Track their **progress and achievements** throughout the year

We encourage parents and carers to speak to their child about using the app regularly to help support learning at home. It provides an excellent opportunity for students to stay organised, reflect on their progress, and celebrate their successes.

If your child experiences any issues accessing the app, please ask them to speak to their **PDT tutor** or email dcartwright@msj.stoccat.org.uk for assistance.

Thank you for your continued support in helping our students to become confident, independent learners.

Yours sincerely,

Mrs H Sweetman
Assistant Headteacher
