20th January 2026

Dear Parent/Carer

Year 11 Mock Exams: Monday 23rd February 2026 – Friday 6th March 2026

As we enter the final six months of your child's secondary school phase, we would like to thank you for your continued support over the last five years. All of our year 11 students have worked hard despite the obstacles they have faced and we are very proud of each and every one of them.

We know all our year 11 students are now fully focused on their upcoming exams. All students should now be working hard at home, in addition to school, in preparation for their February mock exams.

Please encourage your child to revise for each examination, this will enable them to show the best progress possible and achieve their best grades. The examinations will begin on Monday 23rd February and continue until Friday 6th March, the timetable for all exams can be found at the bottom of this letter and on the school website, a link for this is <https://www.msj.stoccat.org.uk>

The website also has lots of information about exams, strategies for revision and the exam timetable for the GCSE series exams in May and June 2026.

If you require any further information or support; please do not hesitate to contact me at school. Please email SHenshaw@msj.stoccat.org.uk or 01204 391800.

Yours faithfully

S Henshaw

Deputy Headteacher
