WE  
GATHER

What is healing?

What different ways can  
people be healed?

But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus his Son cleanses us from all sin

1 John 1:7

*LORD, make me a better person, more considerate to others, more honest with myself, more faithful to you.*

*Make me generous enough to want sincerely to do your will whatever it may be.*

*Help me to find my true vocation in life, and grant that through it I may find happiness myself and bring happiness to others. Amen*

**WE

Therefore, confess your sins to one another and pray for one another, that you may be healed. The prayer of a righteous person has great power as it is working.

GOSPEL VALUES

*We can pray for others by following Pope Francis' 5 finger prayer. Follow along each finger and offer your own prayers, asking for help for those in need of healing.*

*Continue to pray for others in our community*

In the name of the Father, Son and Holy Spirit

As we continue to reflect on healing, we reflect today listening to the song, I know the healer.

Reflect on the words of the song – how can the story of Jesus bring hope to others

Loving Lord, I know you want us to be well and to be able to live life fully. Continue your healing work in me and all my family and friends. May we always be aware of how fortunate we are to enjoy good health. Bless us when we are ill and give us the light of hope. Amen.
